

## 2012 Animation Demo Reel Breakdown

### **00:00:02 – 00:01:41**                      **“Transformers: Prime” Season 1**

I was responsible for the animation.

Additional notes:

00:00:12 – 00:00:12                      The spider walk was from the animation library with some alterations.

00:00:40 – 00:00:41                      Optimus Prime's walk was mostly from the animation library.

00:01:07 – 00:01:08                      I was not responsible to the transformation. That was done by a different department.

### **00:01:41 – 00:02:02**                      **“Li'l Larikkins”**

I was responsible for the animation.

Additional note:

The ear animation in 00:01:45 – 00:1:48 and the hat animation in 00:01:48 – 00:01:54 was done by dynamics.
